[SODDY DAISY MIDDLE SCHOOL TWINS](#)

Soddy Daisy Middle is a high performing school bursting with academic success, innovative learning experiences, and a deep appreciation for the arts. Soddy Daisy Middle is the only middle school in the district that produces two musicals every school year! Not only does Soddy Daisy offer dozens of sports, clubs, and artistic opportunities, our smaller class sizes mean that teaching and learning are specialized for each student. Every student is encouraged to build on their strengths, whatever they may be!
