

MEET YOUR SCHOOL COUNSELOR!!

My name is Ashley Medley, and I am happy to introduce myself as the school counselor for Dalewood Middle School. Go Blue Knights! I have a bachelors' degree in psychology, and a masters of education in school counseling from Middle Tennessee State University. This will be my 17th year at Dalewood.

I am thrilled to be working with the students, teachers, administrators, and parents of Dalewood! I really enjoy my role of encouraging all children to strive to be their personal best socially and academically. As our students, parents and educators move forward with some students learning in person, and some students engaged in distance learning, I want you to know I am available and here to support you. Please do not hesitate to contact me for assistance. Below you will find information and links to an abundance of information for a wide variety of supports and services. Please reach out to me directly with any questions, concerns or if you need any additional support.
