Chattanooga High School Center for Creative Arts (CCA) is a nationally recognized public magnet school serving over 600 students in grades six through twelve. Applicants may audition for admission to CCA in any one of the following fine arts concentrations: acting, communications, dance, instrumental music, musical theatre, technical theatre, visual arts, and vocal music.

CCA students receive rigorous training in their chosen discipline, as well as the opportunity to take classes in other fine arts areas. With an equally rigorous academic program that maintains high expectations for all students in every classroom, CCA truly is a place “where arts and academics share center stage.”
